DISCIPLE BADGES KIT

How to use DISCIPLE BADGES

Purpose:

Disciple Badges are a great addition to your classroom management system. They acknowledge the student(s) intentional effort to live virtuously.

Materials Needed:

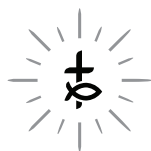

Printed out cards, scissors, laminating material, hole punch, and chains.

Instructions:

- Use Virtue Cards to teach the students about the virtue.
- Observe the student(s) behavior
- Give student a virtue to place on chain when they have displayed the virtue

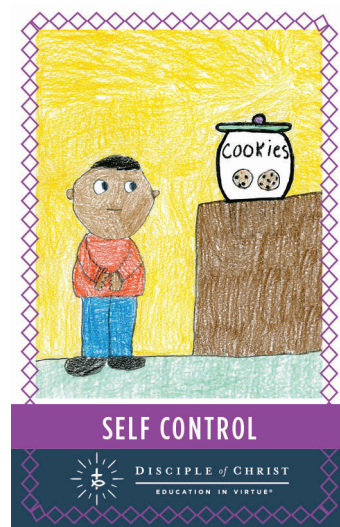

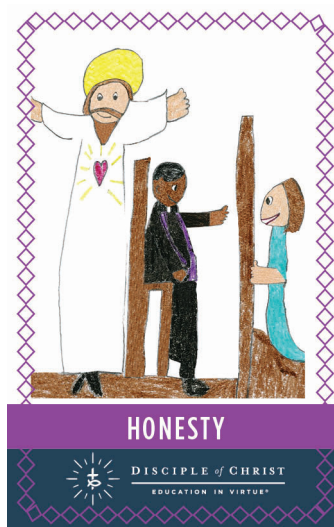

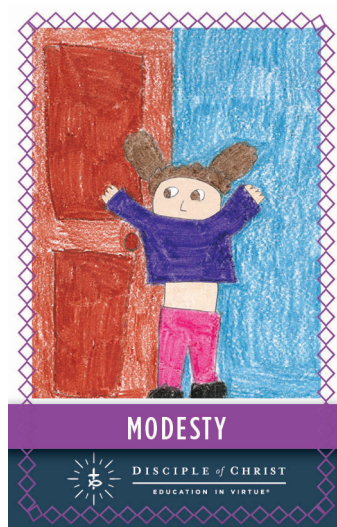

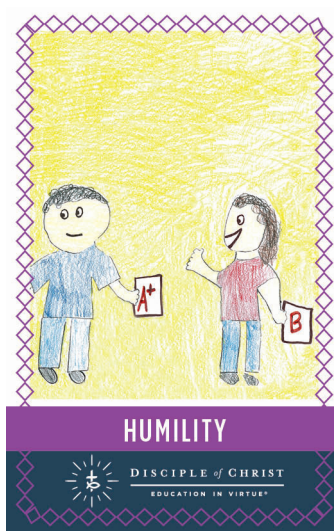

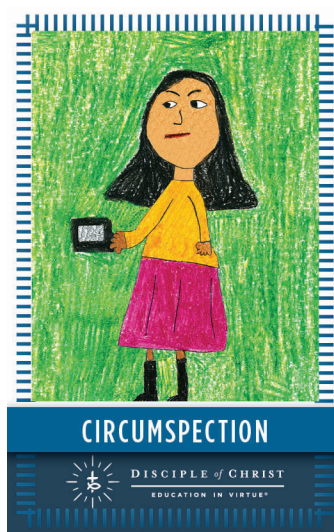

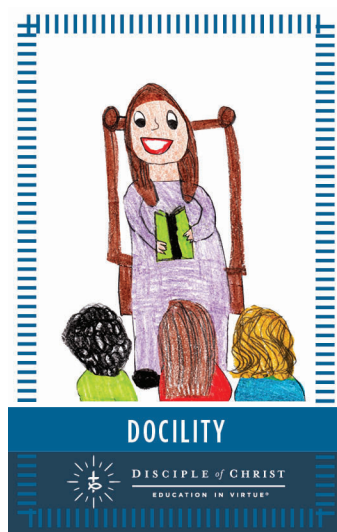

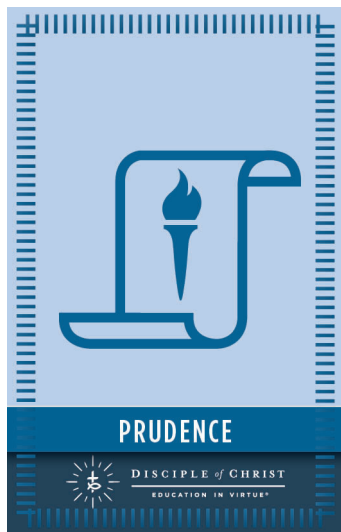

Note to Educator:

If a student practices this virtue consistently, take the time to speak with him/her acknowledging their positive behavior. It is very important to express your genuine observation and how you are attuned to their growth in virtue. Living virtuously is not a reward system but a life of discipleship.
