

SEEING IS LEARNING – CATHOLIC CULTURE AND IDENTITY

List Elements of a Catholic Culture

Describe the Impact

DISCUSSION QUESTIONS:

1. What ideas did you hear from the discussion?

2. Sr. John Dominic used an analogy of a fish bowl to describe Catholic culture. How does this relate to your classroom? School?

3. What is a Catholic Christian worldview? How does it influence your classroom? Teaching?

4. How can the setting of a Catholic culture aid in connecting instruction to experience? How can the setting “speak” to the students and adults?

5. Are you intentional about setting up your classroom? Is there anything you would change?

6. Children see everything. Can you think of any images or phrases which could adorn the hallway or classroom?

7. Seeing is learning. You are the person the children watch carefully. How can striving to live virtuously help your relationship with them? The parents? Co-workers?
