IT IS FINISHED.

Jesus brought all the wonderful promises of God to us to fulfillment.

Jesus accepted His saving mission from the Father.

We receive all God promised when we receive Jesus.

Your disobedience with the tree brought death. My obedience to death on a tree brings you life.

The water from My side washes the world clean of sin.

I am the only beloved Son, offered in Sacrifice. My Father freely gave Me. I am the son of Abraham that brings blessing to all the world

I am the true Paschal Lamb whose blood sets you free; who makes you a people for God.

I am the Anointed One, the promised Son of David. My kingdom has no end.

I am the One foretold by the prophets. Now I give you a new heart and the New Covenant.
